

Thank you for downloading Gamemaster Audio's - ProSound Mini Pack.

This mini sound pack has been exclusively put together for GameDev.tv using sounds from our full package **Pro Sound Collection**. All sounds in this package can be used in both commercial and non-commercial projects. Please read the "End-User License Agreement" for more details.

This Mini Pack is only tiny sample (360 sounds) of our full sound library **Pro Sound Collection** which contains a MASSIVE **8045 sound effects**! See the full sound list and be blown away!

Pro Sound Collection has taken many years and thousands of hours to create. We believe this is the highest quality and most affordable game specific sound library on the market. You won't find a better sound collection anywhere! We guarantee you won't be disappointed if you decide to upgrade to Pro Sound Collection.

Want a discount code? Go to www.gamemasteraudio.com and enter the promo code: gamedevtv for a 20% discount.

We hope all the sounds in this Mini Sound Pack serve you well in every game you make.

Wishing you the very best in your game making adventures.
